

From Shortage to Solutions

Exploring Promising Approaches to California's Teacher Shortage

May 2 - Oakland Museum of California
May 3 - Orange County Dept. of Education

9:30 am - 2:00 pm

The California Labor Management Initiative in partnership with the California Commission on Teacher Credentialing invite you to join education leaders from across the state to share and discuss innovations and answers for addressing our teacher shortage on the state, regional, and local level.

- ✓ Share insight into innovations that are impacting recruitment
- ✓ Hear the latest research on strengthening retention & how districts are significantly reducing teacher turnover
- ✓ Learn how district & university partnerships are impacting the teacher pipeline
- ✓ Share local successes & challenges to inform state agencies & policy makers

We encourage districts to bring teams of leaders from labor & management.
