ABC WEST COAST LABOR MANAGEMENT INSTITUTE

Wednesday, October 25, 2017 & Thursday, October 26, 2017

“Building Labor Management Communication Networks”

What: The ABC Federation of Teachers and The ABC Unified School District Partnership invites you to send a Union/District team to attend this year’s Institute. The theme for this year’s Institute are “Systems of Support at the School Level.” Many Administrators and Union leaders throughout the country have been asking the question of how they can improve labor-management relations. This Institute will bring together experts, practitioners, and researchers in the field of data and partnership building to give Districts the tools needed to promote collaborative labor-management partnerships that improve educator networks and how to make informed shared leadership decisions that count in school classrooms. Participants will receive the “ABC’s of Partnership” handbook and other resources that will help districts and local unions understand some of the elements needed to promote a collaborative environment.

When: Wednesday, October 25, 2017 and Thursday, October 26, 2017

The visiting teams will be involved in the Labor Management Institute on Wednesday, October 25th and on Thursday, October 26th your team will participate in the 18th Annual ABC PAL RETREAT where your team will attend a menu of short seminars on: **Social/Emotional/Mental Health, and Wellness**, **Intervention**, **Fierce Conversation** and **Systems of Support at the School Level**. Teams will see first hand a successful working partnership where educational colleagues work together so that students can learn and be successful. Teams will observe and participate in Partnership building activities and hear models of partnering at the school level.

Where: Holiday Inn, 7000 Beach Blvd., Buena Park, California 90620

Cost: The Institute will fund your registration fee, meals, breakfast and lunch for the members of a Union/District team. We strongly encourage that the local leader and the Superintendent be part of the team.

The registration form will be sent out in **August. If you’re interested in reserving your spot you can contact us at abcft@abcusd.us.**
