

Family Engagement Networking Hour MTSS Professional Learning Institute

July 17 - 3:30 - 4:30 pm | Room 259 AB - ACC North

Connect with the following California Family Engagement Network (CA-FEN) Partners dedicated to family engagement and Multi-Tiered System of Supports (MTSS):

California Family and Community Engagement Initiative: CA FACE, led by the CDE Foundation and supported by the California Department of Education, provides statewide leadership and support for family and community engagement, empowering educators and families to build strong home-school partnerships and unlocking every learner's potential. We serve as a trusted communications resource hub for all aspects of family and community engagement. Visit bit.ly/CAFACEInitiative

California Family Engagement Network: CA-FEN promotes equitable family engagement in education across California by integrating best practices into educator training, aligning engagement systems, and shaping policies. It unites nonprofits, government agencies, and education leaders to transform the education system with empowered families. Visit cafen.org

California Statewide Family Engagement Center (CA-SFEC), led by the Parent Institute for Quality Education (PIQE): CA-SFEC is a national initiative in partnership with the U.S. Department of Education to advance family engagement efforts within California's education system statewide. The CA-SFEC aims to strengthen the capacity of parents, educators and the field of family engagement. For more information, email casfec@piqe.org

Community Schools Learning Exchange: Community Schools Learning Exchange: CSLX collaborates with districts, municipal agencies, community organizations, and the statewide system to build and enhance community school strategies. Visit cslx.org

delibrainy: delibrainy LLC, founded by Dr. Shulamit Ritblatt, develops research-based and evidence-based bilingual programs and products to support the social-emotional wellness of young children (ages birth to eight), enhance parenting skills, and improve educators' competencies using trauma-informed practices and reflective facilitation. delibrainy's School and Family Engagement Training Institute (SaFETi) offers a professional development certificate program for family-facing professionals. Visit delibrainy.com

Dr. Stephany Cuevas: Dr. Stephany Cuevas is an interdisciplinary education scholar whose research focuses on family engagement, higher education access and success, and immigration policy intersections. She currently serves as an assistant professor of education at Chapman University. Visit stephanycuevas.com

High Expectations: High Expectations is dedicated to significantly impacting student achievement through increased family engagement. The mission is to strengthen the capacity of families and school staff to cultivate trusting relationships and to partner to support student learning, because when families and school staff engage as equals, students do better in school. Visit highexpectationsonline.com

Orange County Office of Education, Family and Community Engagement: OCDE supports Orange County students and their families by creating a forum for schools, districts, and community representatives to come together and share best practices in family and community engagement. Visit bit.ly/OCDE_FACE

Parent Organization Network: PON connects parent leaders and family-serving organizations with advocates, educators, and policymakers to improve student outcomes. PON supports families navigating the education system through a network that merges wisdom and resources. It focuses on research, capacity-building, and advocacy to remove barriers to student success and family engagement. Visit parentnetwork-la.org

Santa Clara County Office of Education, Family Engagement: The SCCOE facilitates and supports districts in the development of equitable parent leadership and voice that meaningfully contributes to district and school governance and the academic growth of all students.
